

# ANTIM PAL

Data Analyst | Business Analyst | SQL |

+91 9555268280 antimpal01617121@gmail.com GitHub LinkedIn.com India

## SUMMARY

Data-driven and versatile professional with expertise in web development, SQL, Power BI, and Advanced Excel. Skilled in data analysis and visualization using Python (Pandas, NumPy, Seaborn, Scikit-learn). Strong background in business intelligence, reporting, and dashboard development. Quick learner, analytical thinker, and adaptable to new technologies with a passion for solving complex problems.

## EXPERIENCE

### Data Analyst Intern

#### Intern Career

03/2024 - 04/2024 Delhi, India

Internship focused on data analysis and business intelligence

- Analyzed data using Pandas, Matplotlib, and Seaborn
- Gained understanding of Big Data and created dashboards using Power BI and Python
- Created, communicated, and managed project plans

## PROJECTS

### Restaurant Data Analysis

https://github.com/iamAntimPal/Restorent\_Data\_Analysis\_and\_Prediction

Tools & Tech: Python, Pandas, NumPy, Matplotlib, Seaborn, Jupyter Notebook, SQL

- Analyzed 10,000+ restaurant transaction records to uncover patterns in customer preferences, visit frequency, and purchasing behavior.
- Conducted EDA and geospatial analysis to visualize rating patterns.
- Analyzed booking and delivery trends to understand customer behavior.

### Hotel Management System

https://github.com/iamAntimPal/SuiteSpot

Software designed for hotel management, Tools & Tech: Python, Tkinter, SQLite/MySQL, OOP, SQL, GUI Design

- Developed a comprehensive hotel management system to streamline day-to-day operations and enhance the guest experience.
- Implemented SQL-based backend to ensure reliable data storage, retrieval, and reporting across multiple modules.
- Improved operational efficiency by automating manual tasks, reducing booking errors, and providing a seamless user experience.

## KEY ACHIEVEMENTS

- 3-Star, LeetCode  
Achieved a 3-star ranking on LeetCode for competitive coding challenges
- 5-Star, Hacker Rank  
Attained a 5-star ranking on HackerRank for SQL problem-solving skills

## EDUCATION

### A LEVEL

Infotech Softnet institute, New Delhi

01/2024 - 01/1970 New Delhi, India

### Bachelor of Arts

Ram Yash Degree College, Prayag Raj

01/2021 - 12/2024 Prayag Raj, India

## SKILLS

Big Data	Python	C++	Pandas
Matplotlib	Seaborn	GitHub	GUI
Jupyter Notebook	SQL	MongoDB	
Tableau	Microsoft Power BI	NumPy	
Visual Studio	Advance Excel	EDA	
GitHub Action	Linux	MYSQL	
Data Visualization	Data Visualization		
Analytical Thinking	Problem Solving		
Web Development	Data Preprocessing		
Exploratory Data Analysis
